Welcome back to Term 3, I trust that everyone had a relaxing holiday and enjoyed catching up with family and friends. It’s lovely to see our students back smiling and ready for another exciting term.

NAIDOC Assembly

We will hold our NAIDOC Assembly as part of our whole school assembly on Friday July 24. We have a number of items performing including our choir. Parents and friends are invited to join us for the fortnightly assembly which will start at 9:30am and conclude at approximately 10:30am.

Staffing

CONGRATULATIONS!!!

At the end of last term a panel was convened to appoint an Assistant Principal to the school. I am pleased to officially announce that Mrs Sotelo is our substantive Assistant Principal and began in her role this term. I look forward to working with Mrs Sotelo as part of the executive team and am sure that her continued commitment and leadership skills will be valued.

Education Week

Education Week is coming up (27th July—31st July) where we have planned a number of events. Our ‘Open Day’ will be on the 30 July.

We would love to see as many parents here as possible visiting classrooms and celebrating the wonderful things that are happening in our rooms. Following this at 11am parents are invited to bring along a picnic morning tea to share with their children.

This will lead into the ‘Fun Run’ which the P&C have organised and sponsorship forms already handed out.

Welcome back to Term 3, I trust that everyone had a relaxing holiday and enjoyed catching up with family and friends. It’s lovely to see our students back smiling and ready for another exciting term.
Toilets
At the end of last term we had some serious issues with the toilets. As a result 2 sets of toilets have been out of use. The Department of Education has since been in contact and some work is due to take place. In the coming weeks I hope that some of the issues we are facing will be rectified. Over the holidays the school again paid to have the toilets pressure cleaned to help rid the odour that continues to be problematic. Please rest assured I am trying to do as much as possibly to ensure our toilets are as hygienic as possibly.

Car Park
The safety and wellbeing of every member in our school community is everyone’s concern.
The staff car park is for STAFF ONLY. Please refrain from entering the car park and from blocking the driveway to pick up and drop off your child. All children MUST use the pedestrian gates. Please take the time to ensure that your child is safe by modelling the correct road safety behaviour.

FRANCE STREET
France Street as you know can be very busy at peak times. As well as being vigilant around the school when it comes to our children we must also take care of public/private property. I have been notified by a parent that her car was damaged while parked in France Street. Whilst we park in public places at our own risk, please ensure that you are careful and if you realise that you may have damaged property, please report it to the school or leave your details.

Have a great week! Until next time........

Daniela Frasca
Principal

Lost Property
At the end of Term 2 there was a lot of clothing in the lost property bin that were not named. If you child has lost an item that didn’t have a name on it, please come and check lost property as un-named items will be given to the Uniform Store for resale after Friday 14 August.

Canteen
Welcome Back! A new menu for Term 3 has been included in this newsletter or alternatively you can collect a copy from the School Office.
Just a reminder that phone lunch orders are only accepted in emergency situations. For example your child has left their lunch at home and has no other food. Please remember we place these orders in good faith that money owed is paid to the canteen the next day. If you are unable to pay within this timeframe, please advise Leyla when placing the order.

Canteen Opening Times are as follows:
Monday - Wednesday 8.30am - 2.15pm
Thursday - Friday 8.30am - 3.35pm

Police Visits
Just a reminder that Constable Bottalico is still available for talks with students and parents on various topics.
Please feel free to contact the school who will in turn get in contact with Constable Bottalico to organise an appointment for the talks.

THE 3 LITTLE PIGS
- The Real Story
It was all those pesky little pig’s fault, they made everyone misjudge me! You see I was baking some delicious vegetarian cookies, when I ran out of dough. I thought of asking my neighbours if they had any spare.
As I got to the first house I noticed it was strange because it was made out of STRAW! Not long after, I noticed that the person living in the house wasn’t really a person it was a “PIG”! I also saw him through the window (which was opened) & he was sweeping (HARD), & dust got in my nose. Suddenly my allergies flared up and I got the sniffles & then “ACHOOO!” Yep that happened, well guess what? His whole house fell down but he didn’t get hurt of course because it was made of straw!
Anyways, he ran quite fast to his friend’s house which just happened to be his BROTHER’S HOUSE. I tried to chase him but he was too fast! 10 minutes later…. “WOW!” those pigs live so far away from each other, how could the 1st little pig run so fast with those teeny weeny legs? Maybe he got really scared. Alright I’ve finally got here, I better apologise because I’m a good guy, you know. I don’t eat meat not even pigs, I’m vegetarian, remember I said I was making “VEGETARIAN” cookies, if you don’t believe me see for yourself. Now have you seen? I hate to say this but…. “I TOLD YOU SO!”

Sorry, let’s get back to the story, Where was I up to? … “OH YEAH”, well I noticed that he made his house out of sticks! I was going to tell them both that they should have made it out of bricks, but I knew that was rude so I didn’t.

A few seconds later I saw pig #2 making a gross mixture & out of nowhere he pulled out… PEPPER! He sprinkled it all over it & somehow some escaped through the window I was looking through & got in my nose again & of course my allergies flared up & “ACHOOOOO!” Yep that happened again too! Well his house fell down but I’m pretty sure it might have hurt this time because it was sticks!

Anyways they got frightened and ran even faster than before to their OTHER BROTHER’S HOUSE! I chased after them again and luckily it wasn’t as far away. As I got there I saw he was smart and built his house out of bricks! At least #3 was smart, well 1/3. I looked around and there were daisies surrounding me which made sneeze of course, “ACHOOOOO!”, but luckily his house didn’t fall down.

Suddenly I saw a CAT stuck on the roof and wanted to save it so I jumped on the roof and carefully helped it down. I smelt something burning from the chimney and peeked in. I saw a boiling hot pot with bright flames bursting up. Maybe they wanted me to go on the roof so I could fall in the pot, and guess what? I was leaning in, slipped and fell in. “YEOOUUCH!”

But luckily for me I’m still alive somehow. Well kids, that’s the real story of the little pigs!

THE REAL END!

World Refugee Day and Second Hand Book Exchange

On Tuesday 23 June, SRC organised and ran our very first Second Hand Book Exchange. On the morning of our fund raiser, it was exciting to see so many people bring in books to swap. The SRC had a very busy morning, sorting and displaying all the books. There was a wonderful variety, so thank you to all the student, mums, dads and friends who went to so much trouble. We raised $217.75 through gold coin donations. All money raised was sent to the United World Refugee fund, UNHCR.

The class that raises the most money of course wins the Pizza Party for their class, I know several girls and boys very excited by this prospect following Pizza Popcorn nights last term. All children who return sponsorship form and money by August 14th will receive a stationary prize pack.

Big thanks to Riot Art and Craft at Westfield Burwood for supplying many of our wrapping and craft supplies so far this year and helping us wrap the Fun Run prizes. They look great.
